Item B-1444

NCCI's Basic Manual for Workers Compensation and Employers Liability Insurance

Filed on June 9, 2021

SERFF Tracking No. NCCI-132867551

Description:

- NCCI says:

The filing introduces a new edition of NCCI's *Basic Manual for Workers Compensation and Employers Liability Insurance* (Basic Manual). As this is a complete modernization of the Basic Manual, it is necessary to do a onetime "complete manual" filing to help make regulatory review and approval, and subsequent customer use, easier in the future. We are:

- improving format and structure
- updating rules, if applicable, to conform to statutory language
- providing some clarity, if needed

This filing does not make any substantive changes to any rule or classification that would result in premium impact.

- The filing also includes some changes to other NCCI manuals to update references to the Basic Manual in light of the changes described above.
- NCCI proposes that the changes be effective for new and renewal workers' compensation policies issued on or after 12:01 a.m. on November 1, 2021, and any in-force policy in effect on and after November 1, 2021.
- Per Commissioner's Order No. 3142, dated March 21, 2014, the Commissioner may issue an order approving the filing, approving the filing with changes, or rejecting the filing.

Affected NCCI Manuals:

- *Basic Manual for Workers Compensation and Employers Liability Insurance*
- *Experience Rating Plan Manual for Workers Compensation and Employers Liability Insurance*
- *Statistical Plan for Workers Compensation and Employers Liability Insurance*
